Dear W9FJI:

We do indeed have your TARS "Sparx" on the list of affiliated club papers and are glad to currently note the fine job that W9DGA is doing in his handling of the paper.

It is a pleasure to attach a listing of a dozen or more clubs in your section of the country that put out club publications and it is hoped this will enable you to arrange exchanges as you have outlined. All best wishes for your Club plans and activities for the current season.

Sincerely yours,

F. E. Handy, W1BDI,
Communications Manager.
